Note: To use tools and/or equipment you must be trained, certified and have the item initialed on the left by a competent individual as defined by Prof. Daniel M. Lofaro. If an item is not signed for approval on this list you may not use it. This includes items that are not specifically listed. A list of approved competent individuals is listed on the first page of the booklet.

Usage Agreement

This agreement releases George Mason University and all subsidiaries thereof, including all associated laboratories and groups, from all liability relating to injuries that may occur during all activities in and around ``the shop.'' By signing this agreement, I agree to hold the aforementioned entirely free from any liability, including financial responsibility for injuries incurred, regardless of whether injuries are caused by negligence or any other circumstance.

I also acknowledge the risks involved in working with and around tools and like activities. These include but are not limited to injury, allergic reaction, death, etc. I swear that I am participating voluntarily, and that all risks have been made clear to me. Additionally, I do not have any conditions that will increase my likelihood of experiencing injuries while engaging in this activity.

By signing below I forfeit all right to bring a suit against George Mason University and all subsidiaries thereof, including all associated laboratories and groups, for any reason. Additionally, I agree to only use tools and equipment that I have been trained and verified competence on as denoted above on this sheet. Finally, I will make every effort to obey safety precautions as listed in writing and as explained to me verbally. I will ask for clarification when needed.
